

Questions: “Gaining Freedom from the Deception of Fear”

1. Is fear always bad? Why or why not?
2. What are some consequences of *unhealthy, destructive* fear?
3. What are some ways that fear is allowed to get a foothold in our lives?
4. How can we break the hold of fear?

Consider: Are there areas in my life where I have given in to fear rather than put my trust in God?
